Profile

As a 7th semester student, I have great interest in web development. Although I have worked only in C# in .NET framework but have great aspirations to challenge myself on different backend platforms. I wish to explore the field of blockchain technology as it is the future of technology.

Skills

Java Programming	● ● ● ● ●	C++ Programming	● ● ● ● ●
Object-Oriented Programming	● ● ● ● ●	Data Structures	● ● ● ● ●
